SohosERP

FARM GATE TO PAYSLIP
FULLY AUTOMATED

The ERP for Farmer Cooperative Societies

SohosERP follows produce from the collection centre to the farmer's bank account. Members, intake, quality, payroll, shares and the books are kept in one system, built on ERPNext.

- Bluetooth weigh scales
- Mobile collection app
- Works offline, syncs later

1. Collect
Weigh and record every delivery at the centre.

2. Grade
Capture quality measurements and rejects.

3. Pay
Run farmer payroll and send it to the bank.

4. Report
See collections by route, volume and member.

MADE FOR

One system for the produce your members grow

Dairy
Record morning and evening deliveries by route and collection centre, test quality, log rejects and pay farmers by the litre.

Coffee
Weigh cherry at the factory, grade it, track parchment and mbuni, and pay out advances and final payments by grade.

Sugar Cane
Track plots, harvest permits, cane weights and transport charges, then settle farmer accounts after miller deductions.

Tea
Capture green-leaf weights at buying centres, handle monthly payments and annual bonuses, and supply inputs on credit.

MODULES

Everything your society runs on, in one system

PRODUCE MANAGEMENT

The workspace your clerks open every morning

Collections, rejects, farmer payroll, shares and collection reports are all one click away.

SALES MANAGEMENT

Point of sale for every retail shop outlet

Sell inputs over the counter, charge members against their produce and invoice bulk buyers.

ACCOUNTS MANAGEMENT

Accounting and purchases that post themselves

Every collection, sale, purchase and payroll run lands in the books without re-keying.

STOCK & INVENTORY

Know what is in every store

Transfers, receipts, stock requests and balances across all your warehouses and shops.

Enterprise

MANUFACTURING

Turn produce into finished goods

Plan production, run work orders and track costs at your processing plant or factory.

HR & PAYROLL

Pay and manage your own staff

Employee records, attendance, leave and staff payroll alongside farmer payments.

FOR YOUR SOCIETY

Built around the member

- ✓ Member register, shares, advances and input credit
- ✓ Transporters, routes and EPRA fuel rates
- ✓ Dividends, bonuses and a full audit trail
- ✓ Farmer payroll with bank payroll exports and payslips
- ✓ POS that works offline and sells to members on credit

PRICING

A plan for every size of society

Starter

For small societies starting to go digital.

Up to 500 members · 1 collection centre · 5 users

- ✓ Produce collection & intake
- ✓ Member register
- ✓ Quality checks & rejects
- ✓ Farmer payroll & payslips
- ✓ Core accounting
- ✓ Standard collection reports

MOST POPULAR

Professional

For established societies with several routes.

Up to 5,000 members · Unlimited centres & routes · 25 users

- ✓ Everything in Starter
- ✓ Full accounting & finance
- ✓ POS for society shops
- ✓ Sales, stock & purchasing
- ✓ Member shares & dividends
- ✓ Farmer bank payroll exports

Enterprise

Manufacturing & Production

For unions and societies that process what they collect.

Unlimited members · Unlimited users · Multi-company

- ✓ Everything in Professional
- ✓ Bills of materials & work orders
- ✓ Processing: milk, coffee, tea, jaggery
- ✓ Batch & serial tracking
- ✓ Cloud or on-premise hosting

Every plan includes setup, data migration and training for your staff. Pricing depends on members, collection centres and users.
